

# Nature Care Earth Day Awards

## Purpose:

To raise public knowledge of the many feasible ways that people in our community are caring for the Earth and that, in many cases, they are providing employment.

## Concept and Instructions:

This is not a contest. After verification, everyone who is nominated gets the award. Our goal is to see more and more people doing what the nominees are doing. The whole process is open to anyone living in the Peterborough-Kawartha riding to participate. Anyone can nominate anyone else, or even themselves. The nominator must get the nominee's permission. When you submit the form, please cc the nominee and nominator. That will suffice to show the nominee's permission in the event that signing and sending a scan is difficult. The form is also available at [ptbogreens.org](http://ptbogreens.org). Please submit forms to [ptbogreenevents@gmail.com](mailto:ptbogreenevents@gmail.com) by April 20, 2018.

## Nomination Form

### Description: (required)

I, \_\_\_\_\_ hereby nominate \_\_\_\_\_  
(person or organization) (person or organization)
